
In Italian, Bianco means “White” — a blank canvas for possibility.

At Bianco Italian Cuisine & Bar, that blank canvas becomes a celebration of Italy away from Italy: vibrant flavours, warm hospitality and a cosmopolitan bar experience in the heart of Caloundra!

At the heart of Bianco lies a bar concept unlike anything Caloundra has seen before. Here an extensive wine list showcasing Italy, the Mediterranean and the wider world.

Many selections are available by the glass — including premium wines poured via Coravin — inviting guests to explore and discover at their own pace.

Our wine list proudly showcases a curated collection of wines from boutique artisan producers in Italy and around the world, personally selected by our Sommelier.

We invite you to purchase any of the wines listed for takeaway, with the benefit of a special discount.
